State Roofing Company Receives Consumer Protection Excellence Award

WAYNE, NJ (05/11) – GAF, North America's largest roofing manufacturer, is pleased to announce that *State Roofing Company* of *Houston, TX*, has received the prestigious GAF Master Elite™ *Consumer Protection Excellence Award*. This coveted industry award recognizes *State Roofing Company's* dedication to helping consumers better understand their roofing options, and helping the consumer make educated roofing decisions.

Most consumers recognize that choosing a roofing contractor can be a confusing and sometimes risky decision. In fact, the Better Business Bureau lists roofing as one of the highest inquiry categories nationwide. As a factory-certified Master Elite™ Contractor, *State Roofing Company* has been carefully pre-screened by GAF. In fact, only 2% of the roofing contractors in the country have earned GAF's Master Elite status – a distinction that truly sets them apart from the rest, and ensures that *State Roofing Company* is dedicated to helping every customer make their best and safest roofing decision. As a GAF Master Elite Contractor, they are also dedicated to continuous improvement and training through access to CARE (the Center for the Advancement of Roofing Excellence). CARE is a non-profit educational institute supported by GAF Materials Corporation and dedicated to "changing an industry through excellence in education."
